KEENON GETS IN STATE RACE

Harrodsburg Man Announces for
Clerk of Court of Appeals.

Rodman W. Keenon, of Mercer
county, who has been a candidate for
the Democratic nomination for Com-
monwealth's Attorney in this dis-
trict, has announced his withdrawal
from that race, and has entered the
race for the Democratic nomination
for Clerk of the Court of Appeals, a
state office. Mr. Keenon is very well
and favorably known in this county,
having married in Hustonsville, and
undoubtedly will receive an over-
whelming vote in this section of the
state. A dispatch from Harrodsburg
had the following of interest concern-
ing Mr. Keenon's entry into this race:
Harrodsburg, Ky., June 4.—The
Hon. Rodman Keenon, of this city,
County Attorney of Mercer, and
member of the Democratic State Cen-
tral Committee for the Eighth Con-
gressional District, today announced
himself a candidate for the Demo-
cratic nomination for the office of
Clerk of the Court of Appeals, to be
determined in the state primary elec-
tion of August 7, next. He is the only can-
didate from the Eighth Congressional
District for a state office.

Mr. Keenon is a member of the
Mercer county bar and is quite well
known throughout Kentucky through
his service on the State Committee
of the Democratic party. He is fully
acquainted with the office he is seek-
ing, having served as deputy Clerk
of the Appellate Court for four years
during the administration of J. Mor-
gan Chinn as Clerk. It has been the
custom for quite a number of years
to select as Clerk of the highest court
of the state a member of the legal
profession as being best qualified to
perform the duties of the office. In
this regard, Mr. Keenon, should be
chosen, will rank well up with the
men who have filled the office in the
past. In a card to the Democratic
voters of Kentucky, Mr. Keenon says:

"I am seeking at your hands the
nomination for Clerk of the Court of
Appeals. I feel that I am qualified
to fill every duty of the office, having
served four years in a former admin-
istration as Deputy in the office. I
have never overlooked an opportunity
to serve my party on the stump and
in committee work, and this is my
first entry into a race for a state of-
fice. I have an ambition to fill this
office and I appreciate your sup-
port in my canvass."

MAJOR GEORGE WATT DRYE

Dies At Liberty Last Week After
Long and Honored Life

On Friday night, June 4th, 1915
at Liberty, the spirit of Major George
Watkins Drye passed into the great
beyond. He was the son of Col. George
Drye, who was the last of a family
born in 1843. He was the youngest of
a family consisting of six sons and
two daughters. In the beginning of
the Civil War Major Drye was attend-
ing Centre College, but left this insti-
tution at the early age of seventeen
and enlisted in the First Kentucky
Cavalry. He was the youngest Com-
missioned officer in the army. After
several years service as captain he was
promoted to Major, a title he bore
the remainder of his life. In the year
1862, he was wounded in a battle at
Rockford, Tenn. At the same time
his life long comrade, William Dodd,
the horseman of Lincoln county, was
captured and taken to Libby Prison.
Being disabled from this wound, Ma-
jor Drye was honorably discharged
from the army. After a lapse of three
years he married Miss Jennie Camp-
bell, the oldest daughter of Dr. Alex.
Campbell. To this union one son, Wil-
liam, was born, but he died in the in-
fancy. His wife preceded him to the
grave many years. At the age of 24
Major Drye was elected as Representa-
tive from Casey county. For the past
twenty years he made his home at
Liberty. His illness was brief, death
due to an acute attack of Bright's
disease. The remains were brought to
Hustonsville and laid to rest by the
side of his wife and son. Peace to his
ashes.

DIXIE SHORT ROUTE

Coming Thro Hustonsville To Be Fixed
at Danville This Afternoon.

An association of Tennessee and
Kentucky Good Roads men will be
formed at a meeting in Danville this
afternoon for the purpose of organ-
izing the Dixie Short Route. C. E.
James, of Chattanooga, who was pres-
ent of the original Dixie Highway
Association, but withdrew when the
route was split up and sent around
devious ways, has endorsed this latest
movement, and will be present. He
has already agreed to accept the presi-
dency of the new association. Sen-
ator Charles Montgomery, of Casey
county, was in Stanford Monday, en-
route home from Chattanooga where
he had been to confer with Mr.
James, and Senator Montgomery is
enthusiastic over the project. The
route as proposed and which will be
adopted at the meeting today starts
from Chattanooga, and passes thro
the following towns: Dunlap, Pike-
ville, Grossville, Jamestown, Tennes-
see, Albany, Jamestown, Liberty, Hus-
tonsville, Danville, Harrodsburg, Nich-
olasville, Lexington and Covington,
Kentucky, on to Cincinnati. People
in the west end of Lincoln county
are enthusiastic over the route and a
large delegation from this county is
present at the meeting today.

SKILES ELECTED PRESIDENT

Crab Orchard Banker Honored By
Financiers at Meeting.

Bankers from all over this section
of the state held a most enjoyable
session at Crab Orchard last Friday
and all who were on hand were de-
lighted with the entertainment pro-
vided by the hospitable people of the
East End. The program was replete
with good things of interest to the
fraternity, two addresses of the day
attracting particular interest, that of
Hon. D. C. Wills, of the Federal Re-
serve Bank, of Cleveland, Ohio and
of J. W. Stoll, of Lexington, who is
president of the Kentucky Bankers'
Association.

In the election of officers for the
ensuing year, Lincoln county was
given fitting recognition in the elec-
tion of Cashier H. G. Skiles, of the
Crab Orchard Banking Company as
President of Group 8. Mr. Skiles,
though comparatively new to this sec-
tion of the state, has taken hold with
a vim and enthusiasm and is already
known as one of the "live wires" in
his section. The other officers of
Group 8 chosen were J. N. Kinsley
of Columbia, secretary; and G. A. Mc-
Cormick, of Lexington, treasurer. For
President of Group 11 elected the fol-
lowing officers: President, R. W. Cole,
of Barbourville; Secretary, C. M. Per-
kins, of Pineville; Executive Commis-
sioner, J. E. Downing, of Corbin,
Dan S. Brown, of London and H. A.
McCamey, of Middlesboro. The next
meeting place was not selected but
it is said that it will probably be
Barbourville.

HURT IN AUTO ACCIDENT

Bradfordville Man Badly Injured
and Daughter's Arm Injured.

Lee Terhune, of Bradfordville,
whose first wife was a daughter of
Mrs. Martha Adams, of this city, was
severely injured in an automobile ac-
cident while driving from Bradfordville
to Lebanon Saturday morning
with his two daughters, Martha Ewing
and Mary Lee Terhune, a son and
his brother-in-law. Mr. Terhune was
driving along at a moderate speed
when the car became unmanageable
and in spite of his efforts to control it
it turned over, pinning him beneath it.
His head struck a stake, which was
driven through his mouth and came
out his neck, cutting a fearful gash
in which a number of stitches had
to be taken and he is in a serious
condition. His little daughter Mar-
tha had her right forearm broken,
but beyond that none of the other oc-
cupants of the car were badly hurt
though all were shaken up. Mr. Ter-
hune was bringing his daughters to
Lebanon to take a train for Stan-
ford to spend Sunday with their
grandmother. Mrs. Adams, who cele-
brated her 80th birthday that day, Mr.
Terhune is a member of the milling
firm of B. Terhune & Sons, of Brad-
fordville, and a prominent citizen
of that section.

An Honest Man.

There is probably no truer quota-
tion than that "an honest man is the
nobler work of God." The I. J. man,
in his travels over this part of Ken-
tucky, had the pleasure of striking up
with such a person the other day.
Some twenty years ago this paper did
a job of printing for a gentleman
whom we shall call Mr. Blank. The
work was delivered but Mr. Blank did
not have the money to pay for it. The
little account was carried on one
ledger to another for years and was
finally charged to profit and loss. Mr.
Blank a few months ago came into
possession of some "wherewith" and
since that time he has been looking
up his creditors. The I. J.'s bill was
the last one he owed and as he hand-
led over the amount due he said: "My
debts are all squared

The Elizabethtown News is equally as positive that no democrat who stands for state-wide prohibition can be elected governor as we are that no democrat who makes a flat-footed refusal to give the people a right to vote on this big question can win. The liquor organs have repeatedly referred to Tennessee as an example of how the prohibition question has split the democratic party wide open, and have therefore argued that for the same reason it should not be made an issue in Kentucky. Taking their own example: the history of the past few years in Tennessee demonstrates conclusively to our mind that we are right in our contention stated above. After prohibition became the issue in Tennessee—it is now in Kentucky—the democrats were defeated and a republican governor was elected every time the democrats nominated a wet candidate for that office. Last year the Tennessee democrats profited by their experience, and nominated a Dry candidate and won the governorship. The way it looks to us, exactly the same situation will develop in Kentucky, and Kentucky democrats should profit by the experience of their brothers to the south of us. About 50,000 democrats all over Kentucky refused to go to the polls and vote for S. W. Hager for governor of Kentucky in 1907 because they believed the report which was assiduously spread that he was not sound on the temperance question. Now Hager, and the man who was his campaign manager in that losing race—Hon. Henry B. Hines—are directing the fight for the candidate who is favored by the liquor interests for governor in the coming democratic primary, A. O. Stanley. How many of those 50,000 democrats who wouldn't vote for Hager, because they thought he was favored by the liquor interests, will be willing to vote for Stanley, who, they know, is the choice of this element?

The Domestic Art Class of the Huntington, W. Va., public school turned out sixteen graduates this year. The young ladies made their graduation gowns and they attracted wide-spread attention. The average cost of the dainty things was \$5.50 and the least expensive of the bunch cost the small sum of \$3.10. One of the graduates grew extravagant and "blew in" \$9.80 on her dress. The work of these young ladies should be a lesson to "sweet girl graduates" every where. It teaches more than one lesson, the most important of which is that young women can wait on themselves when they try. Heretofore mother has had to see to the arranging of the half dozen gowns necessary on such occasions, and she has done this in addition to her manifold duties of the home. The additional work has made her too tired out to enjoy the festive occasion. These sensible Huntington girls have saved mother the work and father the expense and have shown the world that they not only can take care of themselves but can do so with decided credit. Would that there were more of such.

The Cummins amendment became effective Thursday and hereafter passengers checking baggage in interstate travel must declare to the baggage agent the value of the property contained in the trunk, suitcase or parcel. Trunks containing valuables of \$100 or less will be checked free, but over that amount must be paid for at the rate of 10 cents per \$100, and this may be considered an insurance fee. But don't think for a minute you can transport a trunkful worth \$500 by simply declaring its value to be \$100. That won't work. On the contrary, the passenger is charged by the law to give a right valuation of his property or lay himself liable to punishment under the statute. It is held to be a misdemeanor to make a misstatement of value either up or down.

Mr. Shelton M. Saufley, of this paper, has accepted of a man persuasion, the management of Mr. McClesney's gubernatorial campaign, and left this morning for Frankfort to take charge. He will be in Stanford a day or so of each week to see after the I. J. and his other business affairs here, so our readers may not be uneasy lest the paper be in a misadventure go to the demitition howl. Mr. McClesney is exceedingly fortunate in securing the services of so excellent a gentleman and adroit politician to manage his race for him. It will mean many votes in Lincoln county and in other sections of the State where Mr. Saufley is well known and where, like here, his friends and acquaintances are one and the same.

Poor old "Boss" Roberts. Three months ago he was mayor of Terre Haute, Ind., and probably the biggest man in the city; today he is digging postholes for an annex to the Leavenworth penitentiary. He became insubordinate and was reduced in ranks until he now has to do real work, and at the same time bear the humiliation of incarceration. Truly it can be said of him: "While he lived he lived in clover; when he died he died all over." His career should be a warning to those who recklessly use power as well as those who tamper with the sacred ballot.

Lincoln county will have only one district candidate in the primary of August 7th. It is Hon. John Sam Owsley, who made a most excellent official some years ago and who today is better qualified to serve his State and county as such. He and his friends say his chances for securing the nomination are most excellent. It is the duty of the democracy of his home county to make the vote unanimous here and the prospects are that they will do it.

"Me for 'GETS-IT' When I Have Corns"

Simple As Saying It; Never Fails.

It does your heart good to see how easily and quickly a corn comes out when you put "GETS-IT" on it and then when you've gone along for years trying

everything, when you've sat up nights wrapping up your toes in bandages, smearing on salves that rub off or swell up the corn, putting on cotton plaster that make corns pop-eyed, slaughtering your toes with razors, jabbing them with knives and prunings to the quick with scissors—and then you put on 2 drops of "GETS-IT" and see your corn fall right off—why, it just looks like a miracle. Just try it. "GETS-IT" never fails. No pain, no trouble. Use it for any corn, callus, wart or bunion.
"GETS-IT" is sold by druggists everywhere, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago.
Sold in Stanford and recommended as the world's best corn cure by Shugar's Drug Store.

Here's a statement in a recent issue of the Shelby Record which, is a very fair sample of the distorted falsified and slanderous stuff that its editor fills up his editorial columns with nearly every issue. In speaking of an editorial in another paper about Stanley being the candidate of the liquor interests in the last senatorial primary, the Record said: "The fact that Jim Whallen, of the Buckingham, the Frank Fehr Brewing Co. all of the saloon keepers of Louisville, because of promises made to them, contributed to Beckham's campaign fund and carried Louisville and with it the primary election in the Beckham-Stanley race, for Beckham, is a refutation of this statement." The records show that Louisville was carried for Stanley in the race he mentions, by over 3,000 majority over Beckham. As we said, the above is a very fair sample of the fairness and truthfulness of all of the Record's arguments and editorials.

Owsley Stanley and John W. Newman met in the depot at Lexington last week. Stanley said "Hello, Governor" to Newman, and Newman replied "Hello, Senator," to Stanley. All of which is in line with the quietly whispered predictions of some of Stanley's intimate friends on this section that if he wins for Governor in August, Stanley will be in a commanding position to go after Ollie James' U. S. Senatorial scalp in a short time, with the prestige and influence of the governor's machine behind him. Some of Stanley's warm supporters who don't live a hundred miles away from here, came back from a Stanley meeting at Louisville recently, and called him "Senator" every time they spoke of him.

The First Baptist church of Boston, one of the oldest organizations of the Baptist denomination in America has begun a week's celebration in honor of its 250th anniversary. At the time the church was organized, in 1665, the Puritan founders of Boston were bitterly opposed to any latitude in religious belief and the Baptists were denounced as heretics and disturbers of the peace. A law had been passed forbidding any persons to meet for worship without the consent of the magistrate, and members of the new church were for years persecuted, fined or imprisoned.

The members of the Kentucky press are gathering at Olympian Springs, where the annual meeting begins tonight. An unusually interesting program is to be carried out and the pen-and-ink warriors and their sweethearts are expecting the time of their lives. For the first time in years, the Interior Journal is not represented.

WISHED SHE COULD DIE
And Be Free From Her Troubles, but Finds Better Way.

Columbia, Tenn.—"Many a time," says Mrs. Jessie Sharp, of this place, "I wished I would die and be relieved of my suffering, from womanly troubles. I could not get up, without pulling something to help me, and stayed in bed most of the time. I could not do my housework."

The least amount of work tired me out. My head would swim, and I would tremble for an hour or more. Finally, I took Cardui, the woman's tonic, and I am not bothered with pains any more and I don't have to go to bed. In fact I am sound and well of all my troubles."

Cardui goes to all the weak spots and helps to make them strong. It acts with nature—not against her. It is for the tired, nervous, irritable women, who feel as if everything were wrong, and need something to quiet their nerves and strengthen the worn-out system.

If you are a woman, suffering from any of the numerous symptoms of womanly trouble, take Cardui. It will help you. At all druggists.

WOMAN COULD HARDLY STAND

Because of Terrible Back-
ache. Relieved by Lydia
E. Pinkham's Vegeta-
ble Compound.

Philadelphia, Pa.—"I suffered from
displacement and inflammation, and had
such pains in my
sides, and terrible
backache, so that I
could hardly stand.
I took six bottles of
Lydia E. Pinkham's
Vegetable Compound,
and now I can
do any amount of
work, sleep good, eat
good, and don't have
a bit of trouble. I
recommend Lydia E.
Pinkham's Vegetable Compound to
every suffering woman."—Mrs. HARRY
FISHER, 1642 Juniata Street, Philadel-
phia, Pa.

Another Woman's Case.
Providence, R. I.—"I can not speak
too highly of your Vegetable Compound
as it has done wonders for me and I
would not be without it. I had a dis-
placement, bearing down, and backache,
until I could hardly stand and was thor-
oughly run down when I took Lydia E.
Pinkham's Vegetable Compound. It
helped me and I am in the best of health
at present. I work in a factory all day
long besides doing my housework so you
can see what it has done for me. I give
you permission to publish my name and I
speak of your Vegetable Compound to
many of my friends."—Mrs. ABRAHAM
LAWSON, 126 Lippitt St., Providence, R. I.

Danger Signals to Women
are what one physician called backache,
headache, nervousness, and the blues.
In many cases they are symptoms of
some female derangement or an inflam-
matory, ulcerative condition, which may
be overcome by taking Lydia E. Pin-
kham's Vegetable Compound. Thousands
of American women willingly testify to
its virtue.

Sick people want to be well in a
hurry.

A great many, perhaps most all,
illnesses have their beginning in dis-
arrangements of the stomach and diges-
tive tract.

ferers on the way to health. The first
dose proves it.

It is taken with success everywhere.

stones. It does just as you said it
would."

seems a thing of the past with me."

by Mr. Carter as a brandy distillery,
and will be ready to make whiskey in
about two weeks. Deputy Collector
Saulley is making a survey of the
plant and fixing up other necessary
papers today.

McAlister writes that her husband has
sold his plantation near Way, Miss.,
to a Chicago man and that the family

up his other business affairs. It is
very much hoped that the good family
will move back to Lincoln county,
where they rightfully belong, but as
their children are scattered they are
undecided just now where they will
buy. Mrs. McAlister closes her letter
with this significant paragraph: "I
don't want another home outside of
Kentucky."

It was county court day and a great
crowd was in town.

Our friend, Dr. J. T. Bohon should define the city limits of Kid's Store, that on entering town, correspondents and others given to too much hilarity at times might know just where good behavior was in order. By the way, the doctor was not short on snakes in his last.

The following teachers from this immediate vicinity who took the late examination at Liberty got first class certificates, viz: Mrs. W. T. No one here is disappointed in failing to get on the Dixie Highway. In fact, we have never anticipated getting on any of the Ways. We have waded mud eight months out of the twelve for the last ten years, and will continue to do so till the mud gets too deep and will then take to the woods.

The following persons from a distance, attended the funeral of Rev. J. I. Taylor here Sunday afternoon. Mr. and Mrs. Mitchell Taylor, Mrs. F. H. After lingering between life and death for nearly six weeks, Rev. Joshua S. Taylor breathed his last here Saturday afternoon at three o'clock. Rev. Taylor was 87 years of age and had lived most of his life in this and Pulaski counties. He was a minister of the Methodist church, a man of very strong mind and fine reasoning in the pulpit. He was twice married, his last wife who survives him being a Miss Williams. He was an uncle of Mitchell and P. H. Taylor, of Danville, and had some half brothers who survive him. Uncle Josh, as he was lovingly known here, was much loved by his neighbors and his number of friends was attested by the large concourse of people that gathered here Sunday afternoon to pay their last tribute of respect to his memory. Rev. C. C. Moore preached the funeral discourse when the body was laid to rest by the Masonic Fraternity of which he was an honored member.

Health of the community is good with the exception of a very sad accident that occurred on the 26th. Lewis Brown, son of Mr. and Mrs. W. M. Brown, while handling a 22-caliber rifle in some manner let the little weapon go off, shooting little Harry Eads, son of Mr. and Mrs. Sam D. Eads, in the leg, four or five inches above the ankle, ranging down thru the bone and lodging in the back part of the heel. He was taken to Norton Infirmary, Louisville and Dr. Freeman of Crestwood, and Dr. Grant, of Louisville, removed the ball. The little fellow has been doing fine from the beginning and will soon be able to come home. The accident was as hard for Mr. and Mrs. Brown to get over, it seemed, as it was for the parents of the boy.

We have had a great deal of rain in the last few days and the farmers are delighted, but would like to have a let-up now, as it would not be a bad idea for the cultivators to start again. Early wheat never was better in the section but the late sowing was not so good.

J. D. Eads sold to H. K. Ditto, of Brandenburg, a head of fine feeding cattle to go Sept. 1st at \$7.50 and \$7.55 per hundred. The cattle will weigh by that time between 1,000 to 1,250 pounds.

W. M. Brown sold to same party eleven head to go at same time, weight about 1,250 pounds at 7 1/2 cts. J. D. Eads has just finished the wool business for the season, shipping about 76,000 pounds.

One of the sensational beef breed cattle sales in recent years was in Indiana May 19. W. T. McCarty sold seventy-five of his Orchard Lake Herefords for an average of \$52,990. L. A. Pinard of South Dakota paid \$3,800 for a son of Perfection Fairfax, calving November 1, 1913. That was the top price of the sale and the top price paid for a son of that noted bull. Thompson Brothers of West Point, Nebraska, paid \$3,500 for another Fairfax bull, and O. F. Wilson of Burlington Junction, Mo., paid \$1,000 for a bull from the same sire.
